**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Commissioner for Patents

Washington, D.C. 20231

Dear Sir:

Attorney for Applicants acknowledges the allowance of claims 1-7, 13 and 18-20 by the Examiner with appreciation. Attorney for Applicants agrees with the Examiner's Statement of Reasons for Allowance to the extent that the claims of the present invention are patentable over the references in the record. Attorney for Applicants expressly traverses the Examiner's Statement of Reasons for Allowance to the extent that any comment is intended or has the effect of limiting a claim scope, explicitly or implicitly, by not reciting verbatim the respective claim language, or is intended or has the effect of limiting a claim scope by stating or implying that all the reasons for patentability are in any way fully enumerated.

Attorney for Applicant further points out that the reasons for allowance set forth by the Examiner are not the only reasons that claims 1-7, 13 and 18-20 are allowable. Further reasons for allowance of the claims beyond those enumerated by the Examiner are described and set

forth in the Specification. In addition, computer networks and/or a resource replication in a computer network that perform substantially the same function in substantially the same way to achieve the same results are included within the scope of the claims.

Finally, as the Examiner's reasons for allowance are not exhaustive, such reasons for allowance do not establish an estoppel against Attorney for Applicants seeking and obtaining allowance of additional, broader claims in a continuation application, which Attorney for Applicants reserves the right to file.

It is believed that no further fees are due with this Statement. However, the Commissioner is hereby authorized to charge any deficiencies or credit any overpayment with respect to this patent application to deposit account number 13-2725.

Respectfully submitted,
